Site Plan

Notes for completing this section:

Provide a site plan in the space provided below as per the "EXAMPLE BLOCK" below, showing tree/s to be removed / pruned, with each tree numbered together with a descreption of the type and size. Applications must include justification in the "Reason for Application" section as to why the tree work is required. Additional information may be attached such as pest, arborist or structural engineer's reports.

Reason for Removal / Pruning: - Please attach any supporting documents such as Arborists or Engineers Reports
